Call for Proposals and Designs

2006 Dialogue Education Institute

October 5-8 ~ Vermont College, Montpelier, VT

This year we celebrate the 25th Anniversary of Dialogue Education. We want to know how this methodology is evolving into new fields, how you are using Dialogue Education in your practice, and how we can continue to influence the world around us.

Thus, we invite **Dialogue Education practitioners** to lead a Workshop OR share a design in a Facilitated Poster Session—a forum to share designs with conference participants.

Some of the *suggested* topics include:

- one-on-one teaching
- training or teaching of large groups
- distance learning
- quantum thinking
- coaching,
- social action
- activism
- higher education

Workshop sessions are 75 minutes long. Poster sessions will be held in a large room that can accommodate several designs at once.

Submit your preliminary Steps of Design for review by the DEI Planning Committee by **May 15, 2006**.

Indicate whether your design is for a workshop or a poster session.

Plan for a response by **June 1** from the DEI Planning Committee, who will choose designs that represent the conference theme and diverse range of topics.

Note: *these workshops and designs are expected to model the Dialogue Education methodology*

Submissions are to be sent to **Marian Darlington-Hope** at mhope@globalearning.com.
