

18. Where to from here?

18a) On our first night, you named one thing you wanted to walk away understanding by 5:00 pm today. Consider now your new understanding of that one thing as well as other knowledge, skills and attitudes you have developed these last two days.

18b) Answer the following questions:

- *What will you do in the next week to keep integrating your new learning?*
- *What will you do as part of your preparation for the next time you facilitate?*
- *Who will you turn to for support in your continuing learning? How? When?*

18c) Share your ideas with someone else.

18d) **Sum it up in a bumper sticker!**

Imagine yourself as you drive away from here tomorrow...What's the bumper sticker?

Create it. Show it off. We'll celebrate them all!
